Feedback from families helps inform decisions related to school planning, which includes the school development plan, school budget and school fees. Feedback will be considered along with fiscal realities, student learning results and other relevant data.

The school development plan outlines how student learning will be improved over time. The plan is updated each year based on various data sets.

The school budget provides funding to implement our school development plan and other supports for student learning.

School fees are necessary when costs for services and activities exceed available funds. Fees are applied so schools can offer a variety of services and activities such as in-school experiences, field trips and athletics.
